## DRUG, ALCOHOL AND TOBACCO PLEDGE

Goodland Academy is committed to providing a drug free campus. The School reserves the right to request that a student be administered a drug screening if the student is suspected of being under the influence of drugs, tobacco or alcohol. Parents or guardians will assume the cost of drug screening. No portion of fees will be refunded or cancelled in the case of withdrawal, suspension, or expulsion of student due to use or possession of alcohol, any tobacco product, drug, narcotic or any substance which is similarly classed (unless given by and while under the care of a legally certified medical practitioner.)

Goodland Academy believes that good choices require clarity of thought. It is the firm belief of Goodland Academy faculty and staff that quality education is incompatible with any form of substance abuse. We also believe that any alcohol, tobacco or drug use tends to create a sense of distrust within our community and limits a student's opportunities to achieve.

I have read the school's policy on drug, tobacco, and alcohol use, and understand the consequences of their use, which may include suspension or expulsion. I agree with the school philosophy and pledge to support the above policy.
